Steinert Seniors Meet Secretaries

Neat appearance and pleasant personality were two of the topics discussed at the luncheon in the Home Economics room of Steinert School, Tuesday, November 19.

Guest speakers, a group of girls to the school, were Mrs. B. Evelyn Greenly, Mrs. Schrum, who is a Credit Committee member, and Mrs. Greenly, who is a social relations committee member. Telephone Committee members for secretaries and accurate records are a thorough knowledge of the faculty sponsor, Mrs. Mildred B.

Girls' Annual

On October 23, a girls' athletic assembly was presented in the gymnasium. Gladys, vice-president, explained the opportunity for girls.

She then introduced the vice-president, Sally Thomas, and the senior representative, Rose Silver, and the junior representative, Jerri Cook.

Corresponding secretary, Jean Drach, expressed, "and then the fun began." It was exactly what took place next.

Chairman of the different sports presented a humorous skit explaining the right and wrong way of playing the game. Usually, it was the wrong way. Janet Cashel, the chairman of intramural

skit were chairman Kathy Elmer, Rose Silver and Pam Graycar.

If Robin Hood had seen the girls in the archery skit shoot their bows, he would have handed in his green outfit. The modern Maid Marions were Betty Myer, chairman, Jackie Tagliavino, Jo Ann Cacavin, Sheila Crawford, and Beverly Lucarella. Norene Halper was the able teacher.

Zora Mushinsky and Dorothy Barnes Win Awards in P. S. and D. Events

Although newly formed this year as a member of the National Forensic League, the Public Speaking and Debating Club has been active in local events held thus far.

Dorothy Barnes, Steinert senior, took fourth place at the State Oratorical Sectionals held at Cathedral High School. Dot gave an eight minute speech entitled "Years Later." The club also sent participants to an extemporaneous contest for beginners at Villa Victoria.

P. S. & D. members attended the Rutgers Forum in October. Zora Mushinsky, a junior, represented Steinert and she won a certificate of excellence for her views on education. The club members were also given tickets to the football game following the forum.

Carol Berrien, representing Steinert, traveled to Ewing High to participate in the humorous sectionals.

At the beginning of November, Zora Mushinsky, Dorothy Barnes, and Robert N. Stewart attended the Rutgers Forum at Columbia University.

The topic of American education decided that our system is failing. Funds and facilities, and that parents should be less reluctant to vote for

higher taxes. They also felt that teachers should receive more intensive training and be given more respect by paying

Here at Steinert the club held a potluck dinner under the direction of Dean Ozlesinta. Later on this year the P. S. & D. speakers will present an assembly program in the auditorium.

Steinert Students Plan Thanksgiving Production

Steinert celebrated Thanksgiving, Wednesday, November 26, with two assemblies.

Programs, which was the first production presented in our school, reminded us that as Americans we have millions of things to be grateful for.

made in all the senior homerooms on in November. Final selections were made by Lester Konyhas, senior class adviser.

The pictures of the seven girls frequently mentioned in the homeroom nominations were displayed all day, November 21. Voting took place that night and the results were announced the following day.

Unusual Talents

Tom Kelly, a freshman at Steinert, is a top-notch skin diver. He started diving as a hobby four years ago. Since that time he has had experience diving in lakes, oceans, and various small bodies of water. Tom states that he likes the sport so well he intends to go on to college to study more about it.

He is a member of the Trenton Underwater Club at Trenton High and takes part in being president of the Snorkel Divers, a club organized by him for his friends. Members of the club include Jeff Mohr, Jeff Ogden, Carmen Verde, and Lou DeLotto.

Some of the equipment Tom uses in diving is as follows: an artificial lung, a diving mask, and a diving suit.

OF her unusual hobby, Margie de-
scribes, "It's a lot of fun, and an easy
way to make friends." She added, that
it does a great deal to further world
friendship and inform foreign lands about
our country.

Getting started is quite expensive. It
costs as much as \$300 to buy a good
transmitter and receiver.

Yet, from what Margie has told us,
the money spent is well worth the grati-
fying rewards her hobby brings.

Eighth Grades Use Library for Vocational Civics

Members of four eighth grade home-
rooms have been enjoying the facilities
of our library, in connection with their
classroom work. On Wednesday or Fri-
day of each week, two of the home-
rooms use the library during activity
period. The books and pamphlets which
the library has for use, help them a great
deal in their study of vocational civics.
Each student must make a full oral
report and a project on the vocation of
his or her choice. In addition, the stu-
dent must make a notebook on both
his own, and other reports, making use
of clippings, original art, pictures, and
photobots.

Ten members of the eighth grade
class have been chosen to the temporary
steering council. They are James Abel,
Carmine Badeau, Joyce Cramer, Donna
Lin, Arlene Kite, Richard Lanning,
Monica Orban, Helen Shihovitch,
George Smith, and Jeanne Winarski.

Another Steinert First Praised

Vocal and instrumental numbers
abounded in Steinert's PTA "Fandly
Festival." A feature of the show, held
November 14 and 15, was a lively jazz
 rendition of "When The Saints Come
 Marching In" by Adele and Fred Hick-
man, George Bolge, and PTA member
Richard Dunlap, another well-received
number was "You Cheated" as sung by
Richard Brennan, Bob "Smiley" Smith,
Dick Pierson, Jeff Carelli, Tom Dem-
browski, and Jack Hickman.

A modern dance group, headed by
Miss Diane Bubblitz, made its debut, fea-
turing Judy Lassone in a dance interpre-
tation of a lovely girl in a big city. Other
dance acts included Sheila Crawford,
and Sandra Stewart, accompanied on the
bagpipe by Ebenezer Paterson, the team
of Anne Conk and George Bolge, and a
square dance group, directed by John
Kaiser.

"I Believe" was rendered by Carolyn
Rossier and "Autumn Leaves" by Mr.
Dunlap.

The Hickman brothers, Adele and Fred,
rocked and rolled to "Topsy." "Stars of
Tomorrow." Tom and Al Gambino and
Joe DeLupo played as did Vince Ferlize
and the Junior Jivers. The guitar-playing
Dual Tones and the singing of Geraldine
Persi, another "Star of Tomorrow" en-
tertained the large audience. The Stein-
ert choral group, under the direction of
Arthur Frank, sang several numbers.

Zora Moshinsky dramatized part of
"The Diary of Anne Frank."

Mrs. John Bruynell entertained with
a solo, "An Evening in Vienna." A bar-
bershop quartet composed of PTA mem-
bers, William Hawthorne, William Krem-
per, Richard Schlicher, and William
Schwartz, revived some of the tune of

Helen Lewusiak, and Cynthia Lapping.
Ebenezer Paterson, president of
PTA was the master of ceremonies.
William Coonsen, principal, welcom-
ed the audience to the first evening per-
formance given in the Hamilton H.
School-East auditorium. The entire pro-
duction was under the direction of M.
John Bruynell, of the PTA, and M.
George Bolge, of the Steinert faculty.

Students Own 60 Cars, From '37 to '58 Models

"Girls, does your boyfriend's car
rattle, and not always roll? If it
came to Steinert's parking lot where
you may have your choice of any of
cars Steinert's upper classmen pos-
sess, at least one car for every ten stu-
dents."

The latest model car at Steinert
Shirley Mesday's '58 Plymouth hard-
top convertible. Shirley is a senior and
received the car as a gift from her father.

Ron Frodeila, a junior, places a car
second with his '57 Ford. This car
is red and white hardtop is the envy
of everyone.

'37 Plymouth Hottest

Charlie Weyman, a senior, is the pro-
prietor of not only the oldest, but the
'37 Plymouth in our parking lot. This
"car" came fully equipped with all
latest accessories including running board
floor shift, and a very modern crum-
ple front of the windshield.

Mrs. Kauffman, I shall never
forget our wonderful 5th
period Latin classes and
dear old Cicero. But most
of all, I know I shall
never, never forget you.
I am awaiting next year
with great anticipation, for
I know that it couldn't be
anything but wonderful with
a teacher as fine as you.

Love,
Cathy

Dear Mrs. Kauffman,

My junior year is one that
will be long remembered. In
5th Period Latin I learned many
things which I shall never
forget. I am looking forward
to next year and serving as
your secretary.

Best wishes and may God
be with you in all that
you undertake.

Lots of Love,
Linda

Dear Mrs. Kauffman,

I could never tell you
how much I have en-
joyed Latin III. I only
regret that it is
impossible for me to
be in Latin IV.

Love,
Carol Seaman

Dear Mrs. Kauffman,
I have enjoyed very
much being your
secretary and Latin
student this year. I
am eagerly awaiting
my senior year.

Love,
Gloria Smith

Dear Mrs. Kauffman,

Don't think this
will be the last you'll
hear of me. I'll bother
you next year, too.

Thank you so much for
2 very wonderful years.

May your life be
filled with every happiness.

I'll always remember
my "second mom!"

Cynthia

Dear Mrs. Kauffman,

I think of you as a
wonderful person, and I
want you to know you have
influenced me greatly in
Latin and also in facing
life with a cheery smile.
You are a picture of 'happiness'.
God bless you.

I shall never stop 'haunting'
you as talkative Terry in
6th Pl. Latin class.

Findest love always,
Terry Sprink

Mrs Kauffman,

Latin class has been a ball,
"jumping", joking, texts + all.
As a teacher you've been
real swell.
As a "pal" you also do well.
Next year, we'll have more
fun

But until then this poem
is done!

(In more ways than one!!)

Perry

Dear Mrs. Kauffman

Cara magistra,

I think of you as the
best teacher I ever
had. The lessons
we learned here
were not only Latin
but also Life.

E corde

make you proud of me at
your "Alma Mater"

Love and Luck,
